Subject: RE: Impact Telecom, Inc. (Docket No. 2012-139-C)

When I proposed the prefiling deadline initially, I misread my calendar. Sorry for any confusion. Lessie and I have spoken and would suggest the following:

Applicant direct due June 15;
ORS direct due June 25;
Applicant rebuttal due June 29: and
ORS surrebuttal due July 5.

The Applicant has been working with the ORS to narrow or eliminate issues and as a result, the proposed timeframe is feasible.
